

SON DEALS DEATH TO JOHN DOBSON

Will Dobson Kills Father Near Pendleton—Young Boy Wounded—Brother of Slayer Perhaps Fatally Injured by Bullet From Victim's Pistol.

Anderson, July 8.—John Dobson, a white farmer living on the Pelzer plantation near Pendleton, in Pickens county, was shot and killed late last night by his 16-year-old son, Will Dobson. A younger son was desperately wounded by a bullet from the pistol of the elder Dobson, who returned the fire of Will Dobson. The younger Dobson is in the local hospital and is in a critical condition, following an operation performed by Dr. J. C. Harris. Will Dobson has been lodged in jail at Pickens.

The tragedy occurred at the home of John Dobson. He has been overbearing in his manner toward his wife and there had been a family quarrel Sunday. Dobson went to Pendleton on Monday and on his return resumed quarreling with his wife. She sent to the field for her elder son, and when he came to the house the attitude of the father and son became belligerent. Some say that the first shot was fired by John Dobson, who was in the yard at the time.

There was an exchange of shots, each of the principals being armed with a .38 calibre pistol, and John Dobson was struck by four of the five shots fired by the son.

The younger son, Roy Barton Dobson, aged 13 years, was in the house with his mother when he was wounded by a shot from his father's pistol. The father fell desperately wounded and several physicians who were quickly summoned saw that there was no chance to save his life. He died at 2 o'clock this morning.

There was some chance for the boy's life and he was hurried to the Anderson hospital. The operation developed that the ball had broken a rib on the left side and had plowed its way through the child's body, puncturing the colon in three places and otherwise causing a dangerous wound before leaving the body. The little fellow was cut almost in two in the efforts of the surgeon to perform an operation that would save his life. The perforation of the intestines would cause death in an older and less healthy person, but there is said to be a fighting chance for recovery as he is in fine health.

The trouble, it is said, began when John Dobson mortgaged some land to buy an automobile, but as to that no particulars can be learned here. The homicide occurred in Pickens

county and Will Dobson surrendered to the authorities of that county.

The elder Dobson was a well to do and prosperous farmer, owning a home and a good farm two miles east of Central. He was buried near his home. He leaves a wife and 11 children.

Sheriff Killed and Negro Lynched.

Jacksonville, Fla., July 6.—Sheriff T. S. Cherry, of Clay County, Florida, was shot and killed by Roscoe Smith, a negro, at Yellow River this morning, the negro later being captured and lynched by a mob of infuriated citizens.

Sheriff Cherry, hearing that gambling was going on at Stuart and Harrison's turpentine still at Yellow River, started for that point, accompanied by one of his deputies. As he reached there he met the negro Smith, who, armed with a shot gun, was walking down the road. Sheriff Cherry hailed the negro and asked: "What are you doing with that gun wait a minute I want to see you."

The negro made some reply and the sheriff left his buggy and started toward the negro. As he neared Smith, the latter took aim and fired, the load entering the sheriff's side and killing him instantly. The deputy, who was armed with a revolver, started in pursuit of the negro, but his revolver failed to fire. As the news of the tragedy spread, a posse was formed and fully one hundred men, headed by a pack of bloodhounds from Highlands, started in pursuit of the negro, who was finally captured. He was taken back to the scene of his crime and commanded to take a walk down the road. As he started, fully one hundred guns and revolvers were fired at him, the bullets riddling his body. The angry mob then surged around the dead negro and his ears were cut off for souvenirs.

Sheriff Cherry was one of Florida's most popular officers and was well known in this city, where he spent much time. Reports from the scene of the crime tonight are that everything is quiet, but the negroes fearing further trouble are keeping within doors.

Posse On Way to Lynch Negro.

Bonify, Fla., July 6.—A large posse of citizens of the Esto community, near here, are marching toward Marianna, where a young negro is held a prisoner on the charge of a criminal assault on a 6-year-old white child at Esto late last night. The child will die. She was left at home alone by her parents, who drove to the home of a neighbor, returning late in the evening, when

No! A remarkable one—for you have spent the smallest sum that will buy a package of good food; and the grocer has sold you the most nutritious food made from flour—as clean and crisp and delicious as it was when it came from the oven.

they discovered the crime. The whole section is in fever heat and if the negro is secured he will be lynched.

Victim of Peculiar Accident.

Louisville, Ky., July 6.—Unconscious with his skull crushed, Alfred Attebury, a Louisville grocer, is in a local hospital, the victim of a peculiar accident. Attebury was sitting in front of his store this afternoon when the wheels of an automobile, running swiftly along the street, caught up a stone about five inches in diameter and hurled it against his head with such force that the skull was fractured. The doctors do not think he will recover. The driver of the automobile has not been identified.

BASEBALL AT BUFFALO.

Buffalo, July 8.—After losing the first game to Whitmire, 7 to 10, here yesterday afternoon, Buffalo came back strong this afternoon and downed them by the score of 9 to 7. Malone worked the first game for the home team, and should have won his game, but for some costly errors. Burns, J, was in fine form in the second game and should have been credited with a shut out but bad fielding cost 7 runs for the visitors. 2,000 fans saw the two games. The batting of Burns, B, and Burns, J, were some of the features of the game. The batteries for the first game were: Buffalo; Malone and Branks. Whitmire; Gilliam and Millwood. Second game, Buffalo; Burns, J and Branks. Whitmire, Rhoden, Aughty and Millwood.

Buffalo plays Jonesville here Saturday afternoon at 4:30. As Jonesville has a good team and this is one of the league games, there is sure to be a large crowd present.

FIFTEEN NEW CLUBS ARE ESTABLISHED

Columbia, July 9.—Records in the office of the secretary of state show that 15 "social clubs" have been chartered in the state this year. These clubs are organized primarily for the illicit sale of whiskey, yet the charter gives the right to do educational, religious and all kinds of uplift work. Under the law the secretary of state is forced to grant charters to such organizations, even though he knows they are virtual blind tigers. R. M. McCown, secretary of state, has repeatedly called attention to the situation but the general assembly has not seen fit to change the law.
